

# GNII Virtual University Teleclass Series Spring 2010 Course Offerings

Throughout the year we will bring to you fabulous faculty exploring a range of topics that blend ancient wisdom, modern psychology, leading-edge research in neuroscience, the creative arts, and timeless insight practices with best practices in negotiation, mediation, and conflict intervention. These offerings promise to deepen your daily lives, at home and at work. Building on the pilot teleclass we offered last year, we are thrilled to expand this new format to make on-going learning and development affordable, accessible, and enriching for all.

Each teleclass is a series of three calls for one hour. You can sign up for one class series, or as many as you wish. All teleclasses will be recorded. If you need to miss a class, we will send you the recording before the next session.
